

SpecChem App

The SpecChem app is now ready for download at the iTunes and Google Play Stores. This FREE app allows for users to easily access product technical information including Technical Data Sheets, Material Safety Data Sheets, Product DOT Approvals, Product Yield Calculator and Competitive Product Comparison tools.

"Fantastic app! The most useful tool in the industry. It's like having a SpecChem guru on the go."

- George Wolf

"All the information you could ever want about SpecChem products at your finger tips"

- Adam Stewart
