Benefits

• Reduce application costs with one step low pressure spray application on broom or power trowelled finishes.
• Achieve architectural finishes, does not contribute to Alkali Surface Reaction (ASR), Will not leave a white surface as compared to other silicate products.
• Reduce dusting, porosity, water permeability.
• Improves abrasion resistance, light reflectance and gloss.
• Deeper penetrating than conventional silicates.
• Can be used interior and exterior.
• Fast curing. Ready for traffic in one hour for most floors.
• Breathable
Packaging

- 275 gallon tote (1041 L)
- 55 gallon plastic drum (208.2 L)
- 5 gallon plastic pail (19 L)

Project Highlights

- Project Beverly
  Mobile, AL
  2.6 million sq ft
- Amazon
  Perryville, MD
  1.12 million sq ft
