SC Multipurpose Grout & SpecPoxy 3000

SC Multipurpose Grout & SpecPoxy 3000: Panama Canal \$5.25 Billion Project

The Panama Canal expansion is a project that will double the capacity of the canal and will allow more and larger ships to transit. The canal is scheduled to be completed by 2014 on the 100th anniversary of the original opening. SpecChem products have recently been approved for this project. SpecPoxy 3000 is being used to bond steel plates to concrete structures. SC Multipurpose Grout is being used to grout lighting standards.

SpecChem provides the most comprehensive concrete chemical systems in the industry. For more information call your local SpecChem sales professional. 866.791.8700 or www.specchemllc.com

SpecPoxy 3000
