SC Precision Grout

Non-shrink, Non-metallic grout

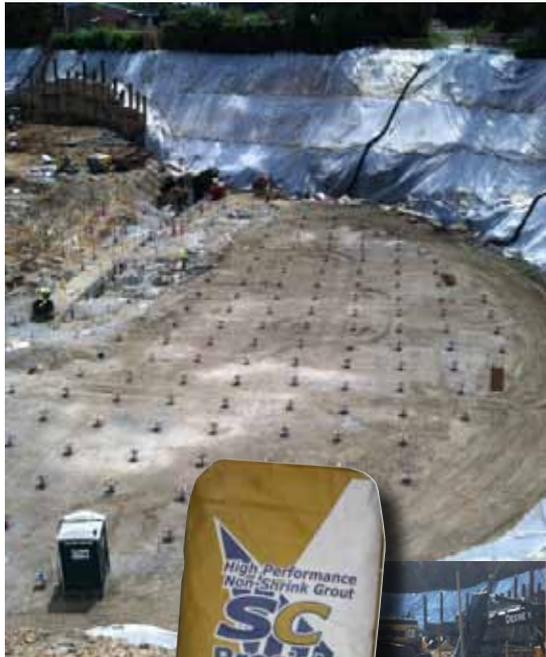

SC Precision Grout: Peachtree Creek

Contractor: American Shoring

Atlanta, GA

Distributor: White Cap Construction Supply - Norcross

4,620 bags used!

American Shoring chose SC Precision Grout for its high flow capabilities for the Peachtree Creek Project in Atlanta, GA. They installed 368 rock anchors for an equalization tank. Anchors were 5" x 15', SpecChem's Precision Grout was used to achieve the 10,000 psi compressive strength required in the design. All anchors were installed and tested after 3 days. SC Precision Grout is a non-shrink, non-metallic, high-flow cement based grout that is formulated to perform in a wide variety of grouting applications.

SpecChem provides the most comprehensive concrete chemical systems in the industry. For more information call your local SpecChem sales professional. 866.791.8700 or www.specchemllc.com

SC Precision Grout
