Bio Strip WB

100% biodegradable water based form release agent

Bio Strip WB: LSU Medical Center

New Orleans, LA

Bio Strip WB was the form release agent of choice for the LSU Medical Center as its primary concerns were clean walls and an environmentally safe job site. When completed, LSU Medical Center will be the premiere medical facility in northern and southern Louisiana. This project is currently using a wide variety of SpecChem product lines from Green Conscious Water Based Form Releases and Cementitious Grouts to Waterbased Cure and Seals.

SpecChem provides the most comprehensive concrete chemical systems in the industry. For more information call your local SpecChem sales professional. 866.791.8700 or www.specchemllc.com
