Proctor & Gamble

Dallas, TX

Contractor: Potter Concrete

1.8 million sq. ft

Claimed to be the biggest industrial building under construction in North Texas, this distribution center contains more than 1.8 million sq. ft. Looking for quality products with superior performance, the contractor looked no further than SpecChem. Using our comprehensive line of products, "Project Sunrise" was able to utilize our bondbreaker, sealers and densifiers to complete the job.

SpecChem provides the most comprehensive concrete chemical systems in the industry. For more information call your local SpecChem sales professional. 816.968.5600 or www.specchemllc.com

SpecTilt 100

Premium reactive solvent-based tilt-up bondbreaker
