Park Ladera

North Phoenix, AZ

Contractor: SunTec Concrete Contractor

SpecChem partnered with SunTec in Arizona for a Tilt-Up Chemical Training Program. After an extensive training followed by several different discussion points, the test was the Park Ladera Project in Phoenix, AZ. The results were fantastic and prove that quality field partnerships always provide the best results in the concrete construction industry.

There are no secrets to success. It is the result of preparation, hard work, and learning from experience.

SpecChem provides the most comprehensive concrete chemical systems in the industry. For more information call your local SpecChem sales professional. 816.968.5600 or www.specchemllc.com
