LithSeal SC and SpecGuard

## Stan Houston Equipment Co., Inc.

Watertown, SD

*A SpecChem distributor/partner for over 20 years*

Midwest Grinding, Inc. out of Hayti, South Dakota grinded and polished the showroom floor at the new Stan Houston location in Watertown, South Dakota. The floor was diamond grinded with a 200 grit. SpecChem **LithSeal SC**, a densifier, was then applied and the floor was diamond grinded all the way with a 1500 grit.

To further enhance and protect the finish of polished concrete floor, SpecChem **SpecGuard** was applied to the floor. SpecGuard provides a high gloss finish and superior chemical and stain resistance. The combination of **LithSeal SC** and **SpecGuard** gives superior durability against chemicals and stains and has an unmatched aesthetic finish for polished, decorative concrete.

*SpecChem provides the most comprehensive concrete chemical systems in the industry. For more information call your local SpecChem sales professional. 816.968.5600 or [www.specchemllc.com](http://www.specchemllc.com)*
