

SpecChem Subscribes to BuildSite Construction Submittals

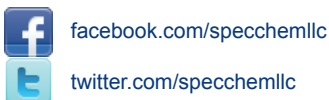

As a benefit to our customers, SpecChem continues to subscribe to BuildSite to aid in facilitating project submittals. BuildSite partners with select industry associations, publishers, and leading software companies. Their industry affiliations further the goals of Building Information Modeling (BIM) and Integrated Project Delivery (IPD). BuildSite Point of Sale works in the sweet spot of the project cycle, where contractors and their suppliers choose what to put on the project.

- BuildSite lists over 115 SpecChem Products
- SpecChem is #1 in Form Release Agents
- SpecChem was submitted on over 500 projects last year

SpecChem provides the most comprehensive concrete chemical systems in the industry. For more information call your local SpecChem sales professional. **816.968.5600 or www.specchemllc.com**
