Form Release Pail Update

Select SpecChem Form Release products to be delivered in plastic pails

Form Release:

We manufacture an extensive line of release agents and supporting products formulated to improve the release of formwork, reduce concrete buildup on forms and liners, protect formwork against rust, and reduce necessary cleanup.

Details and Benefits:

Effective March 1st, 2019 the majority of our Form Release products previously delivered in steel five gallon pails will begin shipping in plastic pails.

This conversion comes at the request of both our distributors *and* their customers, based on benefits such as:

- **Non-Rusting**
- **Dent Resistant**
- **More Durable Packaging**

Below are the products that will be affected by this change:

- **Bio Strip WB**
- **Bio Strip WB Concentrate**
- **EZ Clean & Release**
- **Form Seasoning WB**
- **SpecStrip**
- **SpecStrip Plus**
- **SpecStrip Supreme**
- **SpecStrip VOC 100**
- **SpecStrip WB**
- **Tri-Act**
- **V Form Release**

If you have any questions or concerns regarding this change please contact your local sales representative, or call our office at 816.968.5600
